# Looking Ahead

## AI Support

AI with spatial context

AI content and event creation

## Time to Value

We have significantly reduced creation time.

Looking ahead we will reduce this further with turnkey demos, improved creation flows, and AI support.

## New Environments & Activities

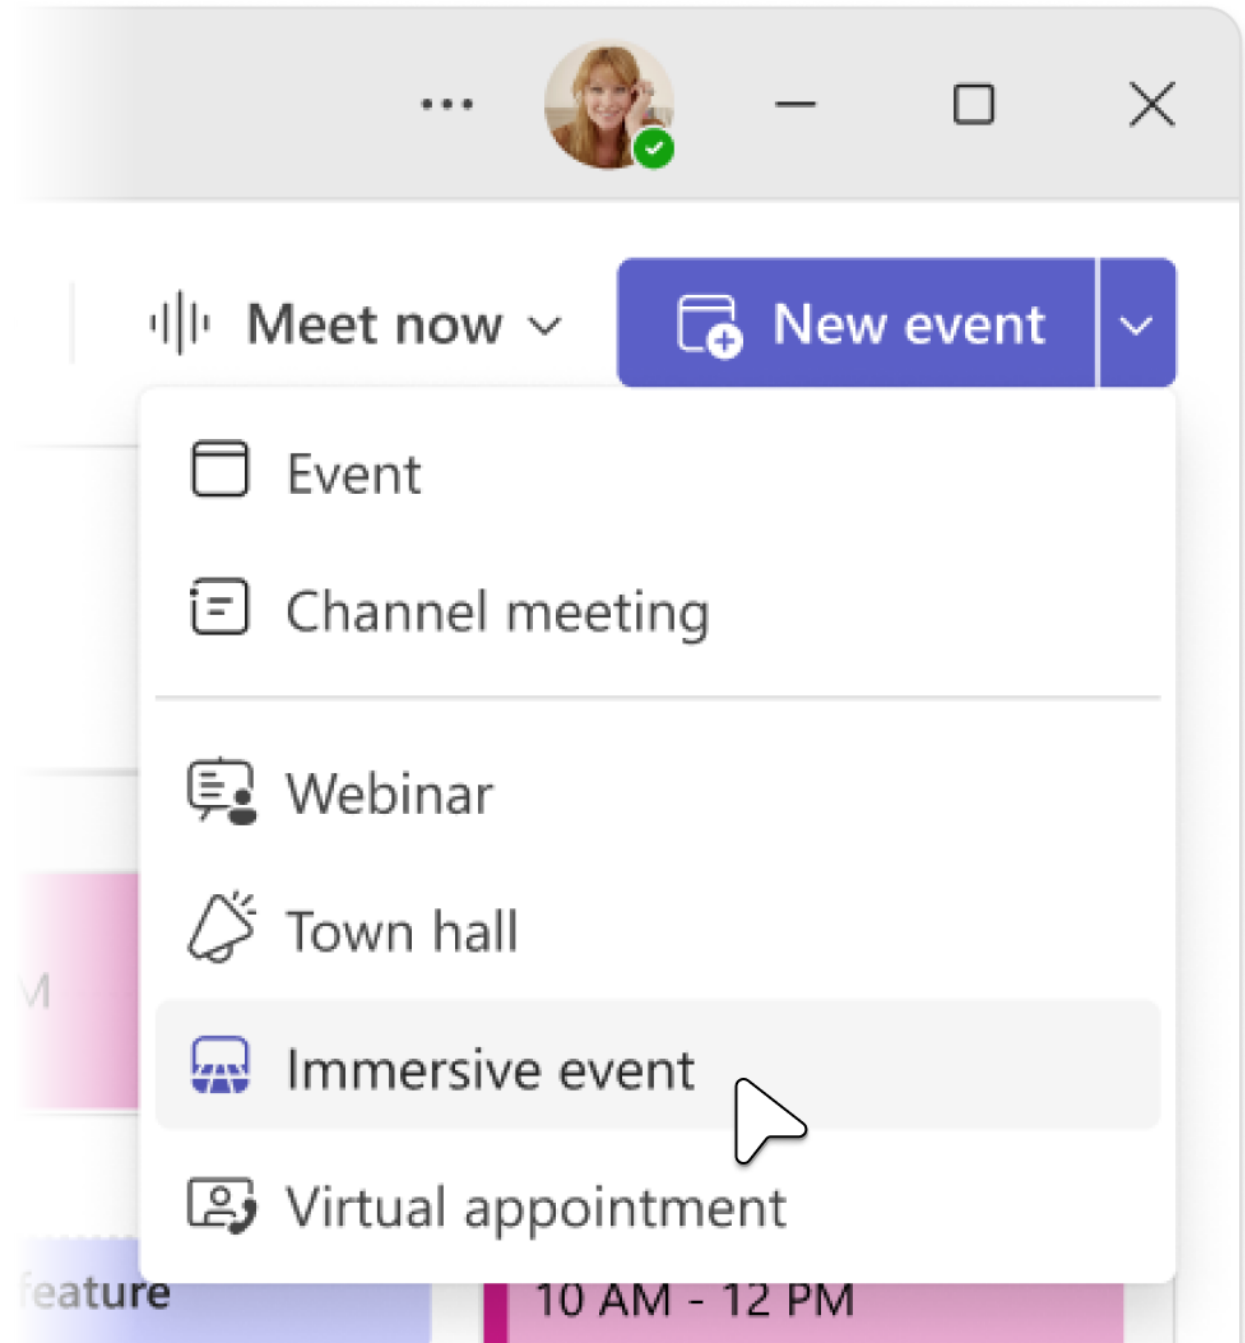

As we see customers create common environment layouts or common event/training activities we will look to bring similar activities as objects and environments out\_of box to help accelerate event creation.

# Try Immersive Events, available globally

Go to your calendar's **New event dropdown**, then choose **Immersive event**.

# SharePoint at 25 short film: *More than Code*

In honor of SharePoint's 25th birthday, *More Than Code* is a short film that explores the people, passion, and innovation behind one of the most transformative platforms in modern work. This film captures the stories of builders, leaders, and community champions who helped shape SharePoint into the knowledge backbone for collaboration, Copilot, and the next generation of agents.

SharePoint is more than code—it's 25 years of connection, innovation and impact.

## Watch the digital premiere

Stream the documentary online globally in late April and celebrate SharePoint's 25-year journey from anywhere.

## Watch the SharePoint at 25 digital event

Prepare for the film with a special digital event featuring insights, stories, and what's next for SharePoint in the era of AI.
